Socials & Workshop with Carl Sullivan

My name is **Carl Sullivan** and I am the proprietor of **Northside Linedancers**. I have been teaching line dancing for 25 years and in that time have competed, judged, choreographed, written dance sheets and Dee Jayed Socials and taught. We had the longest running Line dance Social in Sydney, at the one venue, for 20 consecutive years. It was on 2 times a month and sometimes 3 times a month.

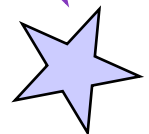

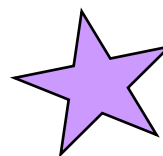

I have 4 classes a week and I have choreographed 170 line dances which are on an International Web site and an Australian Web Site. At one time when line dancing was peaking I had 7 classes a week. Our classes, at present, cater for Improvers, Low Intermediate and Intermediate line dancers. In my 2nd year of dancing my partner and I won the Australian Duo championships held in Tamworth. One of my dances was voted best dance in New Zealand.

This year Northside Linedancers celebrated its 25th anniversary and the dancers are still as keen as they were several years ago. My classes are held at West Pennant Hills and we were the first line dance group on the North Shore of Sydney. There are a couple of other groups in this area and the teachers of those groups attended my classes for several years. I have had several line dance workshops including Tamworth, Brisbane, Condobolin, Sydney and New Zealand.
