

BREAKING NEWS

Hi everyone. This information is "hot off the press" regarding the **2023 Queensland Line Dance Ball.**

For a variety of reasons, including availability of venues, air conditioning, size, floor space etc etc, the QLDA Committee have decided to only host a **ONE day event** for the Ball this year on **SATURDAY 7 October** which is on the weekend after the long weekend. We were unable to secure a suitable venue for the long weekend event.

At our recent committee meeting, we decided to do the following this year.

ONE DAY EVENT ONLY

DATE: Saturday 7 October, 2023

VENUE: Morayfield Sport & Event Centre, 298 Morayfield Rd, Morayfield, 4506

WORKSHOP HOST: Travis Taylor

THEME: Black with Gold &/or Silver

WORKSHOP START TIME: 5pm

BALL START TIME: 6pm

We would love for you to join us for the evening. All the proceeds from this event will go to a charity that has yet to be decided. The Online Registration process will be opened later in the year. Costing is still being calculated.

Some information about the venue.

This Sport & Event Centre is quite new - only about 4 or 5 years old. We have hired the Multi-purpose space. It is 1000 m² which is really large and will have plenty of room for split floors. We will have a stage at the front and back of the venue. It is also air-conditioned.

While food is allowed in the venue, it must be purchased from their cafe - a bit like the arrangements at the NSW Ball. Closer to the date the venue will provide us with their menu and pre-orders can be made or you can just buy food on the night. They would prefer pre-orders!! **YOU CANNOT TAKE YOUR OWN FOOD OR DRINK (apart from water) INTO THE VENUE.**

The First Information Flyer is below..

Take care everyone.

Cheers

Jo
