After I taught 'Light After Midnight' by Micaela Svensson Erlandsson (SWE) - Feb.2026. Great dance - We Love the Dance & Music. But for the Newcomers {AB} who have never dance before or only for a few month's it as just a bit Hard, they need to learn at their own pace and be rush or stress... And music It's Raining both songs by Ziggy In Tha House LOVE So I wrote this AB Dance MY dancers! hope you will check it out and give it a try. I also like to use alternatives Music / Split floor in Class so My Dancers do learn to not be Faze by what others are doing on the dance floor at events or in class. Happy Dancing xx
